

## VOX ROYALTY REPORTS SECOND QUARTER 2021 RESULTS

TORONTO, CANADA – August 16, 2021 – Vox Royalty Corp. (TSXV: VOX) (OTCQX: VOXCF) (“Vox” or the “Company”) is pleased to announce its operating and financial results for the second quarter ended June 30, 2021. All amounts are in U.S. dollars unless otherwise indicated.

Kyle Floyd, Chief Executive Officer stated: *“The second quarter of 2021 saw record royalty revenues, record net incomes and unprecedented organic growth for Vox. Management’s confidence in the underlying performance of the Vox royalty portfolio was demonstrated in our doubling of 2021 annual revenue guidance to C\$4M – C\$5M. This quarter saw exceptional organic growth in our portfolio, further strengthened by first gold pour from our Segilola royalty asset on July 30. We are also excited to grow our strategic partnership with Electric Royalties Ltd. (TSXV: ELEC), following the completion of our initial graphite royalty transaction. Vox shareholders can look forward to a catalyst-rich second half of 2021, with construction activity at multiple royalty assets, the release of multiple engineering studies and over 80,000m partner-funded drilling expected.”*

### Second Quarter 2021 Highlights

- Record revenue of \$1,314,030 reported for the quarter, with inaugural revenues received from the Janet Ivy royalty;
- Record net income of \$2,057,694 for the quarter;
- Increased production stage royalty asset count from one asset at May 2020 listing to five assets by end of the quarter;
- Strong balance sheet position at period end, including cash on hand of \$5,308,977, working capital of \$8,684,985 and total assets of \$30,161,290;
- Executed binding documents for a strategic partnership with Electric Royalties Limited (TSX-V: ELEC) and divested two non-core graphite royalties;
- Completed four royalty transactions to acquire an additional seven royalties, including the rancher royalty at Gold Standard Ventures (TSX-V: GSV) South Railroad project, reaching a total critical mass of over 50 royalties and streams;
- Subsequent to June 30, 2021:
  - Announced record revenue in Q2 2021 and increased 2021 revenue guidance by +100% on July 27, 2021;
  - Increased producing royalty count to 5 assets following first gold pour at the Segilola Gold Mine, as reported by Thor Explorations Ltd on July 30, 2021; and
  - Commenced trading on OTCQX on August 10, 2021

## Cautionary Note Regarding Forward Looking Information

*This news release contains certain forward-looking statements. Any statements that express or involve discussions with respect to predictions, expectations, beliefs, plans, projections, objectives, assumptions or future events or performance (often, but not always, using words or phrases such as “expects” or “does not expect”, “is expected”, “anticipates” or “does not anticipate” “plans”, “estimates” or “intends” or stating that certain actions, events or results “may”, “could”, “would”, “might” or “will” be taken, occur or be achieved) are not statements of historical fact and may be “forward-looking statements”. Forward-looking statements are subject to a variety of risks and uncertainties which could cause actual events or results to materially differ from those reflected in the forward-looking statements.*

*The forward-looking statements and information in this press release include, but are not limited to Vox’s anticipated outlook for the fiscal 2021 year, completion of certain anticipated milestones, transactions and developments by the operators of certain underlying projects and mines in respect of Vox’s royalty and stream portfolio, anticipated future cash flows, future financial reporting by Vox, the receipt of payments from Vox’s mining royalty and streaming portfolio, and the completion of mine construction, production and expansion under construction phases at the mines or properties that Vox holds an interests in.*

*Forward-looking statements and information are based on forecasts of future results, estimates of amounts not yet determinable and assumptions that, while believed by management to be reasonable, are inherently subject to significant business, economic and competitive uncertainties and contingencies. Forward-looking statements and information are subject to various known and unknown risks and uncertainties, many of which are beyond the ability of Vox to control or predict, that may cause Vox’s actual results, performance or achievements to be materially different from those expressed or implied thereby, and are developed based on assumptions about such risks, uncertainties and other factors set out herein, including but not limited to: the requirement for regulatory approvals and third party consents, the impact of general business and economic conditions, the absence of control over the mining operations from which Vox will receive royalties, including risks related to international operations, government relations and environmental regulation, the inherent risks involved in the exploration and development of mineral properties; the uncertainties involved in interpreting exploration data; the potential for delays in exploration or development activities; the geology, grade and continuity of mineral deposits; the impact of the COVID-19 pandemic; the possibility that future exploration, development or mining results will not be consistent with Vox’s expectations; accidents, equipment breakdowns, title matters, labor disputes or other unanticipated difficulties or interruptions in operations; fluctuating metal prices; unanticipated costs and expenses; uncertainties relating to the availability and costs of financing needed in the future; the inherent uncertainty of production and cost estimates and the potential for unexpected costs and expenses, commodity price fluctuations; currency fluctuations; regulatory restrictions, including environmental regulatory restrictions; liability, competition, loss of key employees and other related risks and uncertainties. Should one or more of these risks, uncertainties or other factors materialize, or should assumptions underlying the forward-looking information or statement prove incorrect, actual results may vary materially from those described herein as intended, planned, anticipated, believed, estimated or expected. Vox cautions that the foregoing list of material factors is not exhaustive. When relying on the Company’s forward-looking statements and information to make decisions, investors and others should carefully consider the foregoing factors and other uncertainties and potential events.*

*Vox has assumed that the material factors referred to in the previous paragraph will not cause such forward looking statements and information to differ materially from actual results or events. However, the list of these factors is not exhaustive and is subject to change and there can be no assurance that such assumptions will reflect the actual outcome of such items or factors. The forward-looking information contained in this press release represents the expectations of Vox as of the date of this press release and, accordingly, is subject to change after such date. Readers should not place undue importance on forward looking information and should not rely upon this information as of any other date. While Vox may elect to, it does not undertake to update this information at any particular time except as required in accordance with applicable laws.*

*Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.*

**Technical and Third-Party Information**

Except where otherwise stated, the disclosure in this press release is based on information publicly disclosed by project operators based on the information/data available in the public domain as at the date hereof and none of this information has been independently verified by Vox. Specifically, as a royalty investor, Vox has limited, if any, access to the royalty operations. Although Vox does not have any knowledge that such information may not be accurate, there can be no assurance that such information from the project operators is complete or accurate. Some information publicly reported by the project operators may relate to a larger property than the area covered by Vox's royalty interests. Vox's royalty interests often cover less than 100% and sometimes only a portion of the publicly reported mineral reserves, mineral resources and production of a property.
